

IMAGINE360 HEALTH PLAN

Affordable, ACA-compliant health plans designed for businesses with hard-working teams who may not meet traditional participation requirements.

Smarter Health Coverage for Today's Dynamic Workforce

At Worksite, we understand that not every business fits neatly into the “traditional” health insurance box. That’s why we’ve partnered with Premier Health and Imagine360 to bring you flexible, affordable health plan options built for employers with a higher percentage of lower-wage employees, seasonal employees, or variable-hour staff.

These plans are ideal for businesses with part-time, seasonal, or lower-wage employees who can’t meet traditional participation rules but still want to offer affordable, compliant coverage.

What Makes This Health Plan Different

-  Everyone qualifies—no health questionnaires or exams required
-  PHCS Network with thousands of in-network medical providers nationwide
-  10 enrolled employees are required (this number may vary by state)
-  Pair it with your major medical plan, offer it on its own, or tailor it for specific employee groups like part-time staff
-  Minimum Value Plan (MVP) that meets coverage and affordability standards
-  No participation rules—ideal for variable or part-time workforces
-  Worksite handles all admin, including billing, reconciliation, and payments
-  Enjoy faster setup and a simplified implementation process

As suggested for all Insurance decisions, please refer to the summary of benefits to determine if this plan is right for you. Have questions? Get in touch with Worksite today!
