

Minimum Essential Coverage Plans (MEC)

These days, large companies leverage insurance benefits to attract and retain quality talent. With Worksite's affordable Minimum Essential Coverage (MEC) plans, you can compete by offering ACA compliant* health insurance to both your part-time and full-time employees.

Is Worksite's MEC Plan Right for Your Business?

Cost-Effective

MEC plans are more budget-friendly, with lower premiums than comprehensive health plans.

Part-Time Friendly

Ideal for businesses in industries like hospitality and home health with many part-time employees.

ACA Compliant*

Avoid potential penalties by offering your valued employees affordable MEC coverage.

Preventative Care

MEC keeps your team healthy by covering key preventive services like vaccinations and check-ups.

Important Things to Know About MEC Plans

Individual plans start as low as \$68/month.

Can be used as standalone plans or partnered with traditional health plans.

No-cost preventative services and no pre-existing condition exclusions.

Ideal for growing businesses with part-time employees

Only 5 employees needed to enroll and no underwriting!

* While MEC plans meet ACA Part A coverage requirements, their coverage is limited when compared to more comprehensive health insurance options.
